Hi, kids! The year 1957-58 has been a full one;
nearly every minute was taken up by some activity.
Father Time will be our guide as we go

“ 'ROUND THE CLOCK AT HEALTHY HIGH ”

Remember the day we were lucky enough to miss class to
have pictures taken?

Did you enjoy Hi-Y initiation, Rick?

Mr. Bartle's Physics tests must
have been pretty rough.

Are you ready to watch time fly? If so, let's follow Father Time "Round The Clock At Healthy High."

A Junior High School Chorus was organized by Mr. Veach this past school year. They presented two short programs at Christmas time and an operetta "Upon Old Smoky."

The juniors will never forget the wonderful day they ordered their rings.

Seniors, remember the day you missed class to be measured for caps and gowns?

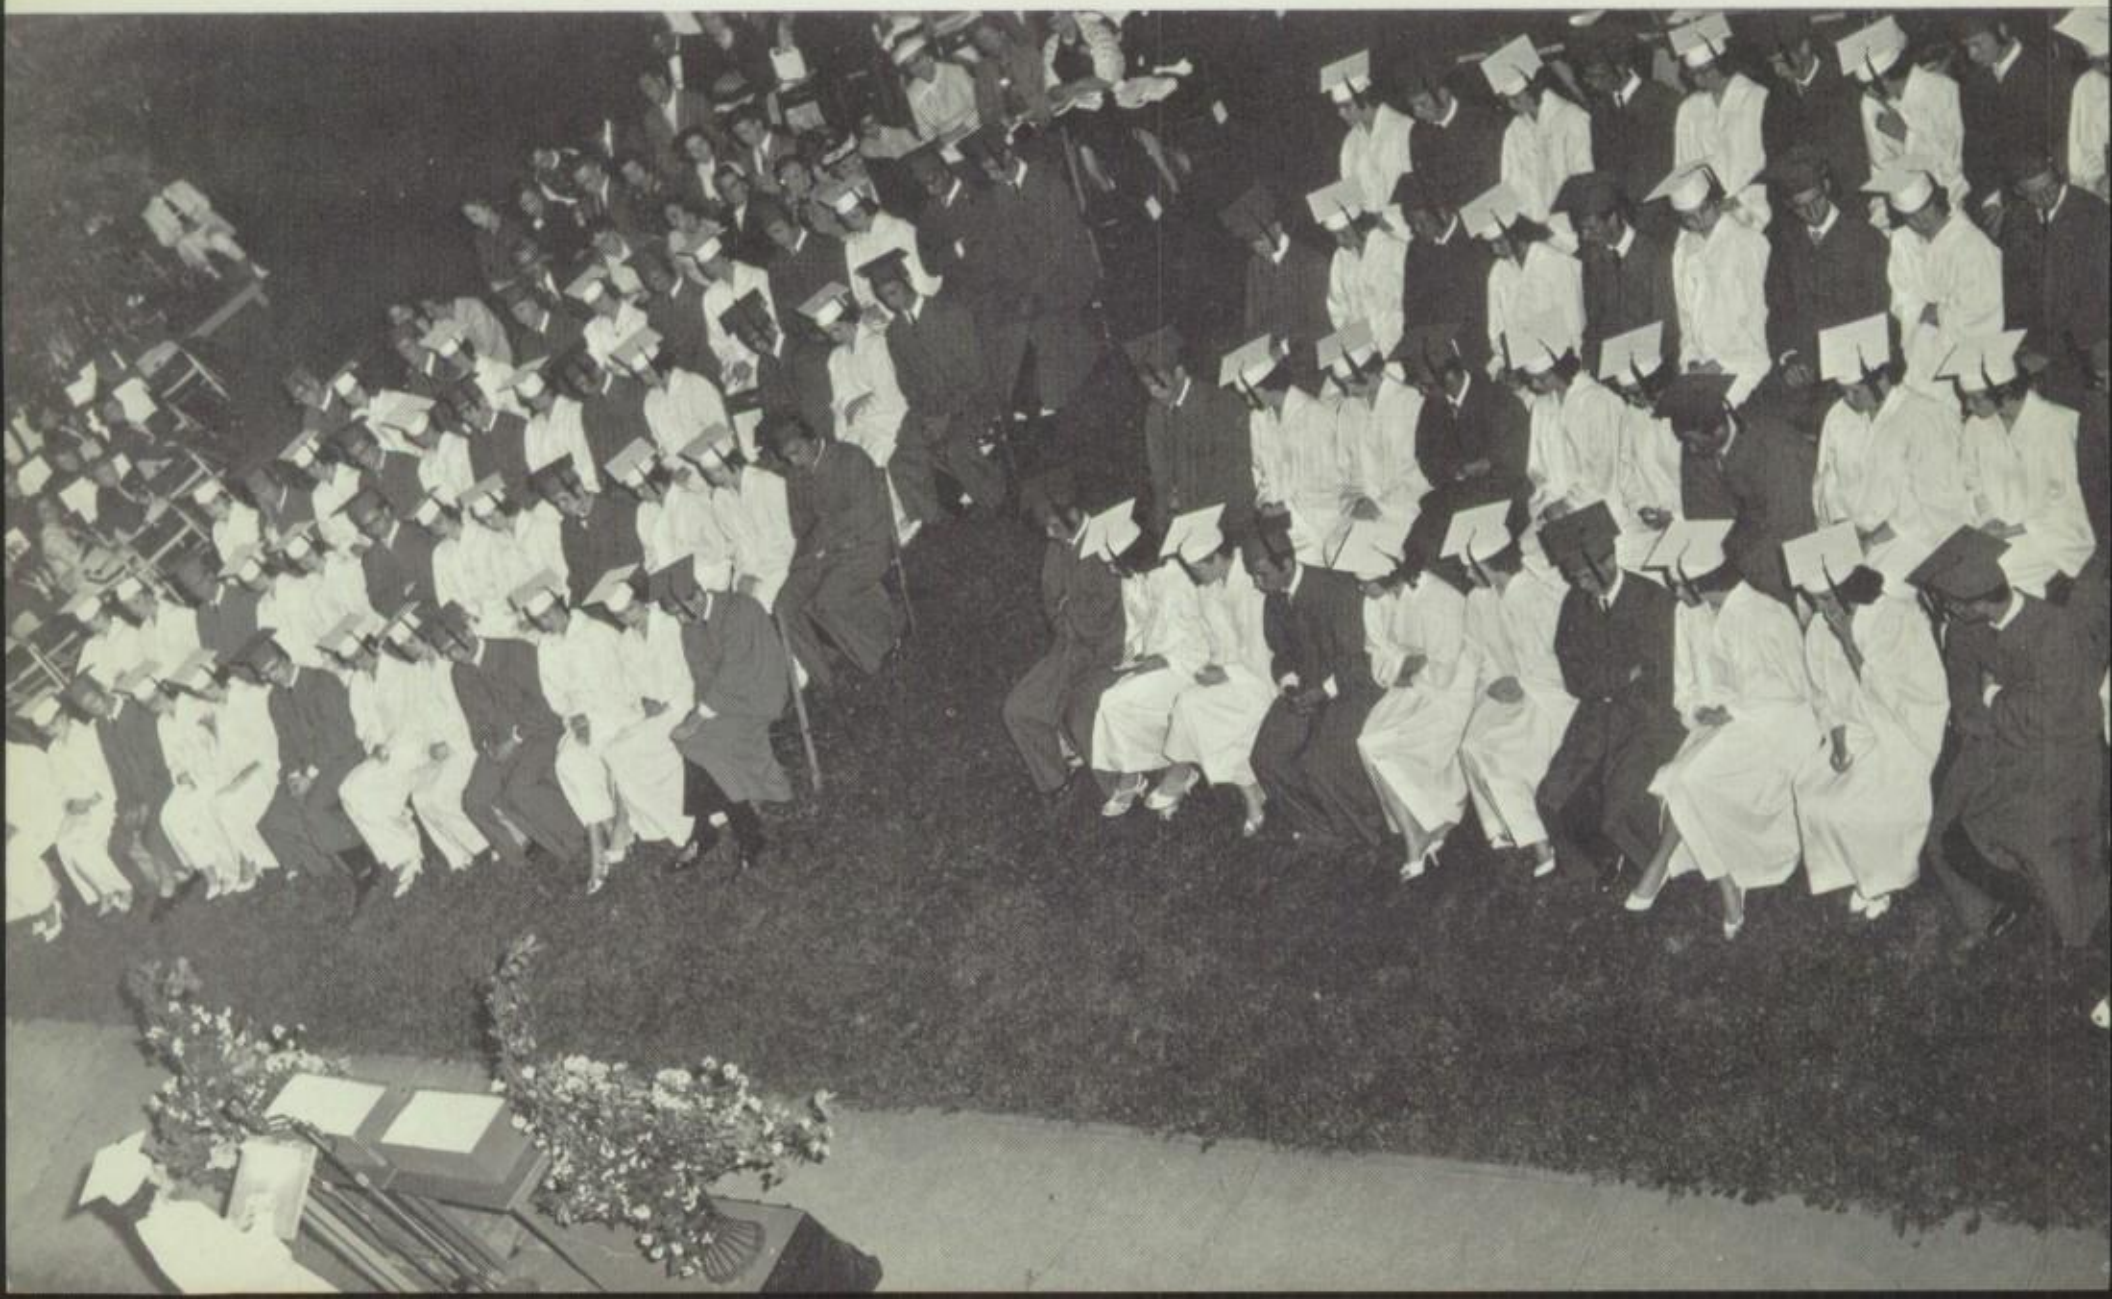

Everyone remembers the riotous Senior Play, "Our Hearts Were Young and Gay."

Baccalaureate Sunday, May 25, brought tears to the eyes of many seniors.

Thursday, May 29, was Commencement for the Class of 1958.

VOICE OF DEMOCRACY

Students of the speech classes took time out from their busy schedules to prepare speeches for the "I Speak for Democracy" Contest. Steve Caldwell, the winner, gave Mr. Time quite a rough trip as he turned the clock's hands backwards and forwards in

his speech "Democracy, Past, Present, and Future." Steve attended the semifinals held at Central High School, competing with winners from other county schools.

Mrs. Wortmann gave Steve Caldwell, the winner, a few pointers on his speech.

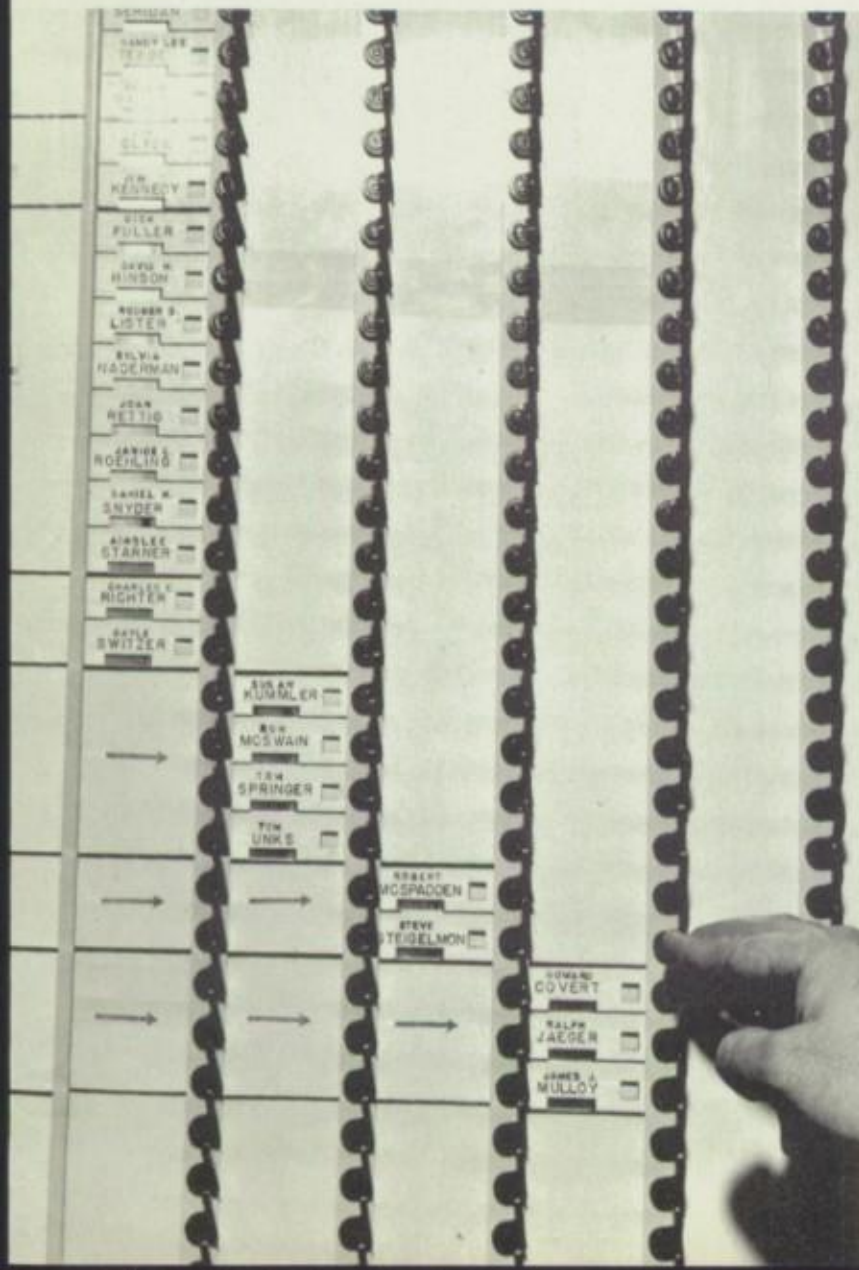

Mayor Lowell Mackenzie and Mayor Walter Korn get together to make plans.

MAYOR FOR A DAY

Everyone had fun learning to use those gigantic voting machines.

This year, the class that contributed the most tax stamps to the Zem Zem, was eligible to put up candidates for Mayor For A Day. The seniors won the contest and chose their candidates. The whole school voted upon them as well as candidates from other classes for other city offices. Lowell Mackenzie was chosen mayor. On Saturday, May 10, he served as Mayor For A Day.

Getting everyone registered before voting was a big job.

HISTORY OF THE CLASS OF '58

Shoe polish, lipstick, horrible food, and "big" Seniors--that's what we saw during those first days of school and initiation. There were 130 freshmen then, coming from Mt. Healthy, Finneytown, Monfort Heights, Springdale, and New Burlington. We joined many clubs and made new friends. We ended the year with a hayride and a gay time.

Our Sophomore year came and with it, new responsibilities. Many of us were officers in clubs, and others were excelling in the classroom or on athletic teams.

As Juniors, we worked all year selling student directories, refreshments at the games, and sponsoring "sock hops." All this was done so we could give the seniors a good prom. That we did. "An Evening in Paris" was a wonderful success, and everyone loved it. Our class brought in the most tax stamps that year for the Zem Zem. So, a junior, Larry Berner, was elected "Principal for a Day." We then ordered our class rings, realizing we were almost seniors.

At last, WE were the "big" seniors. Some of us were presidents of the school clubs and "heroes" of the athletic teams. We took a fabulous trip to Washington, D.C., and presented a hilarious play, "Our Hearts Were Young and Gay." Other high lights of the year were the crownings of Janice Roehling as Homecoming Queen, Judy Salzman as Basketball Queen, Leah Geeslin as Y-Teen Prom Queen, and Sheila Maher as GAA Prom Queen.

All too soon, the year drew to a close, and we were measured for our caps and gowns. Baccalaureate services were held, and Graduation day arrived? On May 29, 1958, as we marched down the aisle to the strains of "Pomp and Circumstance," pleasant memories filled our minds; and we were all proud to be Mt. Healthy's Class of 1958.

The Jefferson Monument, the first stop, is really something to behold!

Did you climb the steps of the Washington Monument?

WASHINGTON TRIP

It's time again for that exciting trip to Washington. That was the thought in the minds of the juniors and seniors around March 27. That was the day they boarded the train and were on their way.

The sights they saw were marvelous. They visited the Capitol building, the Tomb of the Unknown Soldier, Mt. Vernon, the Smithsonian Institute, the White House, and many, many other interesting places. Some brave souls even climbed up and down

Those lucky ones who saw the Capitol at night saw a beautiful sight.

the 898 steps of the Washington Monument.

There was hardly time to eat; but when they ate, they really ate! Will any of them ever forget the delicious food?

All too soon it was over and time to go home. The tired but happy travelers boarded the train again for the sleepy ride home, a pleasant ending to a good trip.

The entrance to the White House is quite impressive.

Whether it's helping a fellow student with his troubles, opening lockers, or even selling mixed nuts, our clock finds the Student Council always on the job. As the hands move around the clock, Student Council is trying to solve another of the student body's

problems. Representatives, from grades nine through twelve, meet to discuss these problems. Each Council member strives to improve the conditions of our school.

ZEM ZEM STAFF

Turn back you hands, Oh Mr. Time. Remember the time when ---.

The Zem Zem staff works 'round the clock trying to record all the events of the past year at Healthy. To secure money for this tremendous task, staff members solicit ads, sell annuals, and collect and count

millions of tax stamps. The class which won the "Shoot for the Moon" tax stamp contest elected a "Mayor for the Day." Though it is hard work, typing copy and selling ads, each staff member works eagerly to put out a better Zem Zem each year.

They also attend the annual dinner held at the Spanish Inn. Sampling Spanish delicacies, speaking El Espanol, or learning the ways of our South American neighbors, each member has had mucho gusto this year.

As the time rolls around each year for the Spring Prom, the GAA becomes a beehive of activity. The girls hire a band, arrange for decorations, and dream up a catchy theme. This year the theme was "Shangri La," the mythical place where time stands still. This did not hold true that night, for the four hours of the dance sped by too quickly. The highlight of the evening was the crowning of the queen and king, Sheila Maher and Dale Schwaeble.

Mr. Clock had quite a busy time keeping up with our varsity football team. From the first practice on August 20, to the last victorious game over Reading (40-0), our boys did not waste a second of their valuable practice or playing time. This thriftiness of time paid off as the team recorded a fairly successful season of six wins and three losses. This record was quite

a feat because in this, our first year in the Millcreek Valley League, our boys faced tougher opponents and also battled Asiatic flu.

As a reward for their hard work in making the 1957 football season successful, members of the team traveled to Columbus to see an Ohio State game. This trip was sponsored by the Athletic Boosters.

Our boys really worked hard for a good team.

FOOTBALL HOMECOMING

The minutes tick off. Zero hour of October 4, 1957 is fast approaching. Who will be our Homecoming Queen--Janice, Dixie, Raelene, Alice, Claire, or Peg? Oh, here come co-captains, Ralph Jaeger and Nelson Troth!

It's Jan! She's our Homecoming Queen! Congratulations, Queen Janice!

In keeping with that night's excitement and spirit, our team crushed Sharonville 26-0.

Queen Janice!

Alice Sunderhaus, Janice Roehling, Raelene Jasper, Peg Hempel, Dixie Denny, Claire Campbell.

The cheerleaders get things started by lighting the fire.

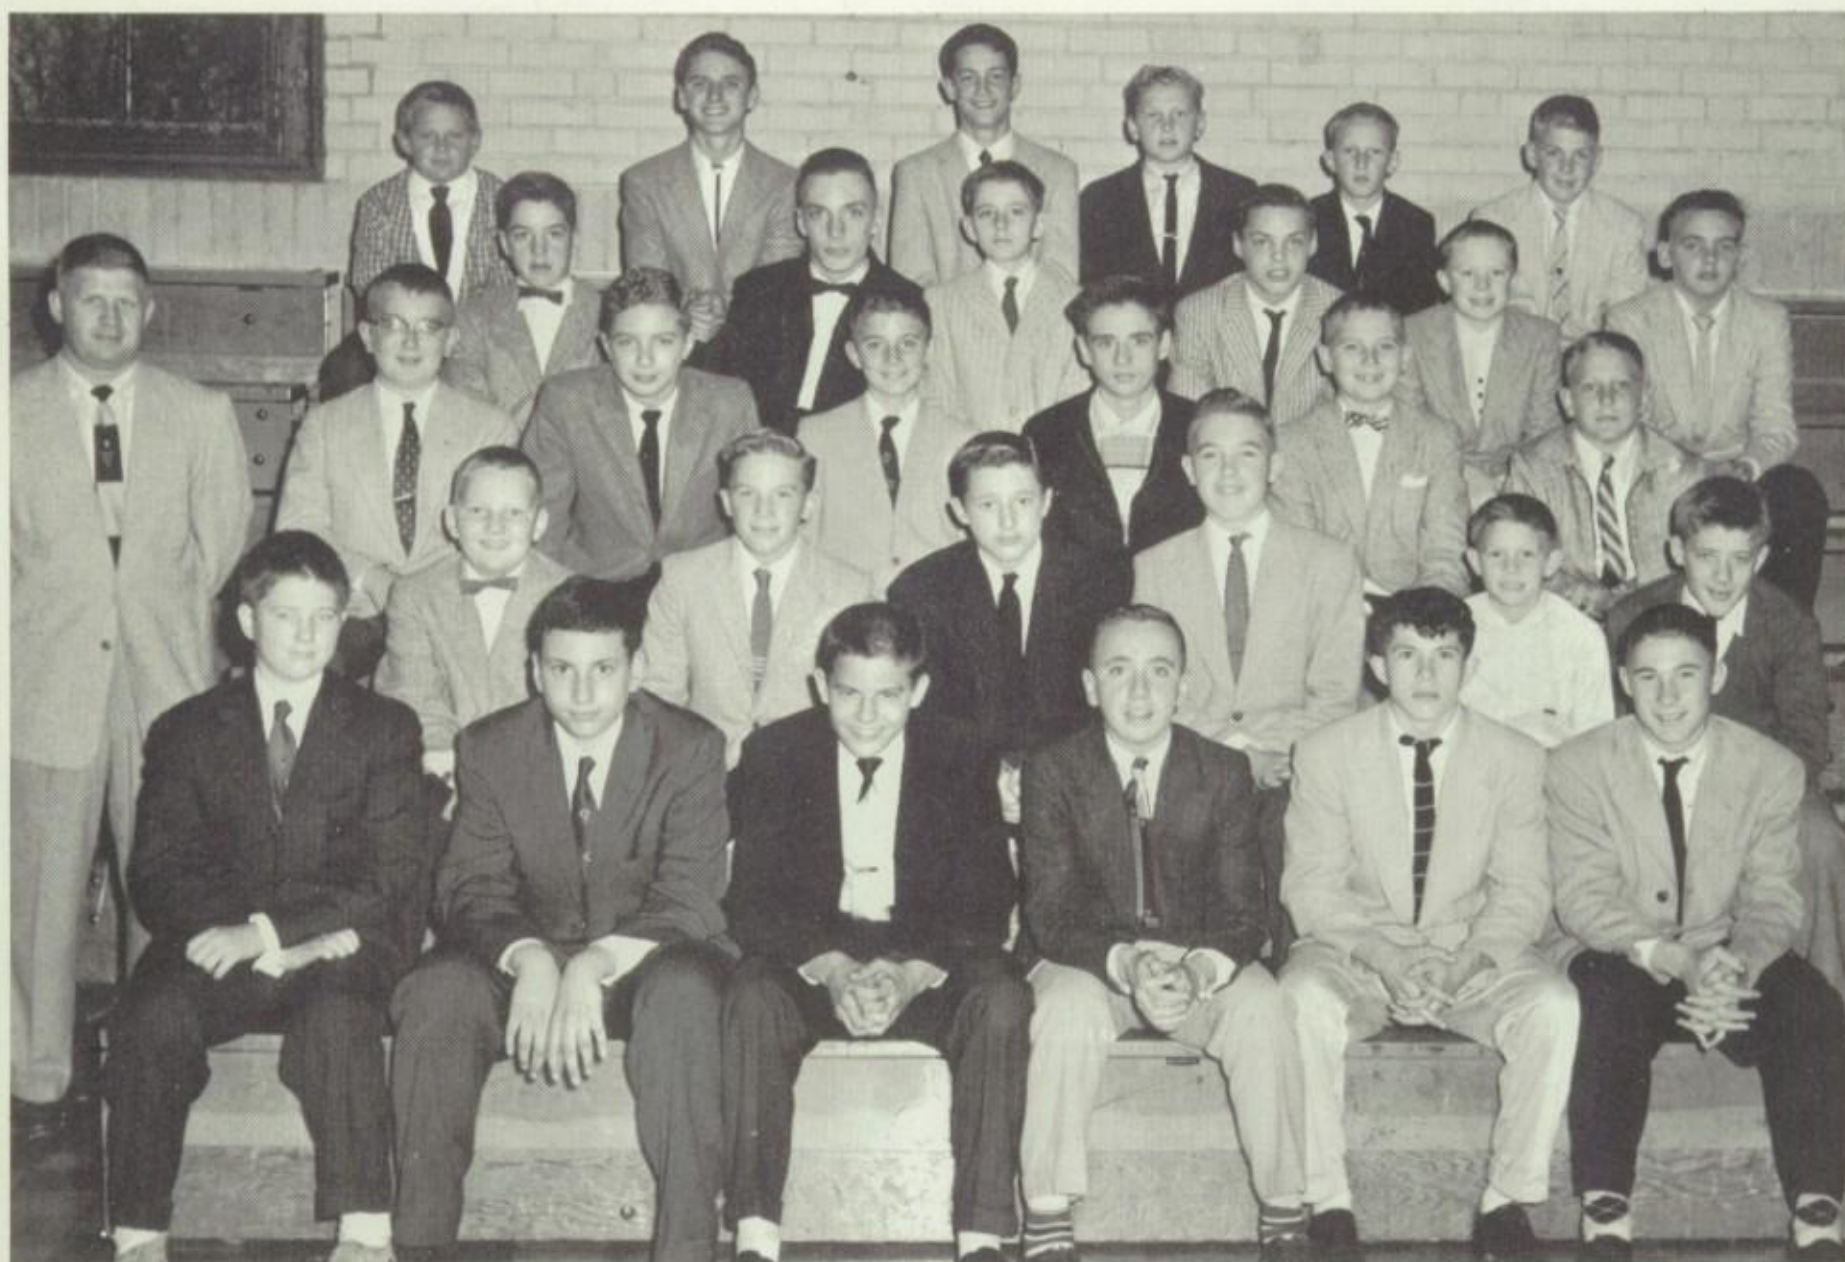

The band helped add to the excitement.

Everyone felt his school spirit as the dummies were thrown into the fire.

POW WOW

Turn back, O Clock! Remember the night of October 3? The Jr. Class sponsored the Pow Wow. Into an enormous bonfire were thrown dummies of challengers, Sharonville. That was only the beginning of the treatment they would receive the following night. Led by the Cheerleaders and band, the crowd cheered our team. The candidates for Homecoming Queen were also introduced. Everyone had a swell time.

JR. HIGH FOOTBALL

Let's take time out to look at our future Millcreek Valley League Champs, the Junior High Football Team. The team, under the direction of Mr. Betz, had a very successful season. They took to heart the

cheer "Push 'em back, way back" as they battled and overcame their challengers of superior size. Good work, boys!

HONOR BANQUET

In recognition of those who worked 'round the clock to make the 1957 football season a successful one, the Athletic Boosters sponsored the annual Football Honor Banquet. After a delicious turkey dinner, awards were presented to the team members, cheerleaders, and coaches.

"Boy, this food is delicious," say the boys at the annual football banquet.

With every tick of the clock, excitement soared through the crowd. To the crowd's roar of "Beat 'em, boys! Beat 'em!" our team fought hard to come out and stay on top. The long and hard practice hours

paid off as our boys were seven-time victors.

Congratulations, team, on this successful season! Let's do it again next year.

Jump high, boys, and win this game for Mt. Healthy.

RESERVE BASKETBALL

Another minute, another basket, and another cheer for these deserving boys, our Reserve Basketball Team. Under the direction of Coach Schlosser, the team practiced long and fought hard to make the 1957-58

season very successful. Their hard work paid off as the Reserve came out on top in most of their games. As they will be the Varsity basketball players for the coming season, we will surely have a winning team.

These Mt. Healthy boys were really trying hard to win when they played this game.

JR. HIGH BASKETBALL

Although he kept a close watch on our reserve and varsity teams, Mr. Clock did not slight our future basketball stars. The Junior High Basketball Team coached by Mr. Betz had a very good 1957-58 season. The boys, members of the seventh and eighth grades, were victorious in most of the games played on their

home floor at Matthew Duvall School. They were usually on top in their challenges away from home.

Mr. Clock is looking forward to the time when these "little owls" will lead Mt. Healthy's basketball teams to many victories.

After a busy week of poster-making and campaigning, the big night finally arrived. This was February 21, 1958, the date of the Basketball Queen Crowning. To the music of "A Pretty Girl" down the aisle formed by the Sparkettes, came fifteen girls, representing the various clubs at Healthy.

The lucky girl, our queen, was Judy

Salzman, Hi-Y's candidate and the school's choice. She was crowned and presented a bouquet of roses by Bill Stoffregen and Larry Berner.

After the crowning, Queen Judy and her attendants watched Mt. Healthy's last and most exciting game of the season, a victory over Harrison.

Mother Nature tried hard to keep Mr. Clock from watching the Varsity and Reserve Baseball Teams. Although many of the games were rained out, the Varsity team had a fairly good season under the

Since many of the players are underclassmen, Mt. Healthy is sure to have a great team next year.

Mr. Clock saw our future Redlegs spend many hours practicing for their big games. This, our Jr.-High Baseball Team, defeated many of its challengers

from other schools. Coached by Mr. Betz, the boys worked hard to improve their playing of America's favorite pastime, baseball.

JUNIOR HIGH BASEBALL AND GOLF

Mr. Clock, what's cooking with our golf team? It's their speciality, a hole-in-one. This season, the golf team's second year in exist-

ence, was a very successful one. Practicing long and hard to beat their competition, the team also learned valuable lessons in teamwork and sportsmanship.

JUNIOR-SENIOR PROM

Many juniors worked hard to give the seniors the prom entitled "Neptune's Paradise." The center of attention was the treasure chest in the middle of the floor. Nets, shells, and fish of all kinds completed

the theme. The climax of the evening was the crowning of the Queen and King, Eileen Kuhlman and Ken Hagedorn. Everyone seemed to have a good time as they danced under the sea.

It looks as if Gale and Carol enjoyed working for the prom.

When the books close, and the last bell
rings,
And carefree days are lost to mundane
things -
When nostalgia strikes, and your memory
waned,
And you remember the faces but not the
names -
Pick up your yearbook and leaf it through,
And remember the days so dear to you.

To John,
lots of luck in
the years to follow.
